From C.D.M.O. Women's Hospital

C 268-31 dated 29-3-44

States that he has since received detailed estimates & plan from the Chief Engineer, this costs Rs 30,810 and requests that the cost of the building may be taken at Rs 31,000/- the extra cost of Rs 11,000/- being met from the PWD grants.

5-2) Subd. The C.D.M.O. States that the cost of the building as per plan for Kanakapura amounts to Rs 31,000 and that Rs 20,000 may be utilised from the donation, the balance being met from PWD grants. Administrative sanction is requested for the work. This is for orders in consultation with the Secy PWD.

5-2) The D.C.-Bd is agreeable to bear the balance of cost of maintenance of the institution after utilising the interest on the Charitable Endowment of half the amount of donation. The Scale of expenditure is also furnished Hey S

The D/Bd suggest that Rs 20,000 maybe kept in endowment. The donor however left it entirely to the discretion of Govt to utilise his donation as they deem fit. This is also for consideration and orders. Refer Minister's minute in para 51

53) The S.S. may also be consulted re o. to furnish his remarks if any on the matter

Sd/ 3/4/44

54) The amount donated for the purposes of a Combined dispensary at Anandapuram is Rs 40000/-. & the donor has stated that his sum may be used by Govt in any manner that they think fit for the construction of the building & if not for an endowment the interest of which may be used for the annual maintenance & Establishment charges

55) The Supdg has furnished a plan & estimate for the building & states that the cost of the building as per detailed estimate sent by her comes to Rs 31000/-. She proposes that a sum of Rs 20000/- out of the donated amount may be utilised towards the cost of the building, the balance being met from Govt funds.

56) As regards the maintenance charges they be borne by the Distt Bd, but a restriction of this kind has been forwarded

Opening of a combined hospital at —

which goes to show that the Distt Bd is willing to contribute towards the balance of cost over & above the amount of interest that may be realised by investing Rs 20000/- out of donated sum in Chairman's endowment deposit with the Govt.

57) According to the scale of expenditure furnished by the Govt (Key S) the recurring cost to be borne by the Distt Bd will come to Rs 1350/- per annum. If the proposal of the Distt Bd to utilise the interest on the sum of Rs 20000/- donated towards this expenditure, the net cost to be borne by the Distt Bd will be reduced to the extent of Rs 750/-, & the Distt Bd will then have to pay only Rs 600/- per year towards the recurring cost of the institution (at 3¾% on Rs 20000/-)

58) There does not seem to me any need to further enquire into the case as he has stated in his letter dt. 3-12-44 that he has transferred the file to the Govt for necessary further action.

H. B. Gundappa Gowda, Esq., BABL, Minister for Health & Local self-Government of Mysore Government Bangalore

Dear Sir

In view of the appalling mortality and sickness in the Malnad parts, I have felt very strongly the need of the public sharing the burden of medical relief along with Government and with this end in view ~~I~~ have already donated towards medical relief and other purposes, nearly to the extent of Rs 22,000/- I have still a desire to do something more towards medical help in the Malnad area. The maternal and death due to infantile mortality is considerable in the interior

parts of the Madras and the need of a maternity Hospital in the rural area is keenly felt. Anandapuram, in Sagar Taluq, is a very central place, situated within a radius of 20 miles from Hosanagar, Sagara, Shikaripur, Kumsi and even Tirthalli Taluq. A well equipped maternity Hospital in Anandapuram will facility for bringing patients from the villages, will be a very useful and serve the needs of these backwards Madras Taluq. For this purpose, I want to donate a sum of Rs 30,000/- and I hope with your enthusiastic and strong support, I shall see a maternity Hospital in Anandapuram ere long. The amount may be spent for the construction of a building for the purpose or for any other purpose in achieving the starting of a maternity Hospital in my place.

I need hardly tell you that nothing prompted me more in offering this donation, than that you as our Stalwart and veteran fighter for Madras, will work see this object

Dear Sir,

My father Mr: A.Ramakrishna Iyengar, Zamindar, Anandapuram, Shimoga District, has been pleased to promise a donation of Rs30,000/- for the starting of a Maternity Hospital, at Anandapuram, which is in the heart of Malnad and which will serve the taluqs of Hosanagar, Sagar, Shikaripur, Tirthahalli and Kumsi in Shimoga District. He is anxious that such an institution should be started in a Rural area so that the villgge folk may have a better utility of medical service. With that end in view he has already made donations to the extent of Rs22,000/- for several purposes in the District.

The Health Minister who was interyiewed by my father has kindly promised to have the Maternity Hospital started at an early date I am sure that in view of the fact that our Beloved Soverign is so fond of the Malnad, such private enterprises by philalnthropic gentlemen will have the maximum support amd sympathy from His Govermment and I hope that ere long the Maternity Hospital Will become an established fact.

I am quite hopeful that this matter will recive ample encouragement and support from your kind hands,

Thanking you sir,

Sincerely Yours,

Dear Dewan Saheb,

My father, A. Ramakrishna Iyengar, Zamindar, Anandapuram, Shimoga District, has been pleased to promise a donation of Rs30,000/- for the starting of a Maternity Hospital at Anandapuram, with a view that it may serve the Malnad Taluqs of Hosanagar, Sagar, Shikaripur, Kumsi and even Tirthahalli. He is anxious that such an Institution should be started and encouraged in the Rural Areas.

During his recent visit to Bangalore, he saw the Health Minister, who was good enough to promise to strive his best for the early starting of the Hospital.

Sir, It will be of interest for you to know that my father has already donated to the extent of Rs22,000/- towards an Hospital Building at Anandapuram, Middle School Building and the Veteri-nary Dispensary and other purposes. This additional Rs30,000/-is in furtherance of his much cherished object of improving the condition of health in the Malnad.

You have served our sub-division and I know the volume of love and feeling you have for our backward people. May I Sir, appeal to you to kindly bless this proposal of my father and under your able and effective regime, see that the Hospital is started early. I also appeal to you that as my father is anxious to see it work at an early date it will receive your immediate and prompt attention.

Dear Sir,

You will be pleased to learn that My father Mr: A. Ramakrishna Iyengar. Zamindar. Anandapuram. has announced a donation of Rs 30,000/- for the construction and starting of a Combined Hospital at Anandapuram. Anandapuram being within 15 miles of five Malnad taluqs of Shimoga Dt., is centrally located and will usefully serve the public of these areas. Such an institution particularly in Rural Areas, will be very greatly appreciated by the public and will also attract and serve a large number of suffering humanity

Since an endowment of your

valuable support in a matter which is so laudable. Such as this is I am very doubtful if the District Board with its meagre finance and resources can bear the burden of its maintenance cost. Further also, from experience it is seen that Govt. withholding which look to the local bodies for their maintenance, have more often languished than thrived. Under the circumstances, May I appeal to you, Sir, to kindly appreciate the spirit of the donation and see your way to secure the maintenance of the Hospital at Govt: cost and also supplement the donation with an ample equal or higher figure & make this venture a very successful and useful one at an early date?

Dear Sir

My father Mr. A. Ramakrishna Iyengar, Zamindar, Anavaparam, Shimoga Dt. has been pleased to offer a donation of Rs 30,000/- for the erection of a combined Hospital at Anavaparam. This is the first time that any attempt is made to have a big Hospital, particularly in rural area and more particularly in the Malnad. The village, Anavaparam being centrally located will serve 5 talukas of our district and will be very useful to the poor village folk; who are usually averse to going out to towns and have their ailments

P.T.O

An Hospital such a this is keenly felt in these rural areas. And our Health Minister was highly pleased with the idea and promised to give his wholehearted support to the proposal. I had a personal talk with him and I await his further instruction from him in the matter

As the dispensary has to be started in a rural area and as our District Boards has no money at its command, it is not possible to benefit any help from them, for the successful working of the dispensary. Being a backward area and very backward in health, the dispensary can work successfully & well, only if it is run at Government cost. I am sure you will lend all your worthy support for the early starting of this dispensary and do your best to see that it is established on sound and successful basis

Letter No.nil dated 16th December 1943 from the President,-District Board, Shimoga, to the Chief Medical Officer, Women's Hospitals in Mysore, Bangalore, ~~Bangalore~~.

Adverting to Senior Surgeon's letter No.C.729-5, dated 25th October 1943 re: meeting the recurring expenditure of Anandapuram Combined dispensary, I have the honour to state that the subject was placed before the Board at its meeting held on 7th instant and it was resolved that it is not possible to meet the recurring expenditure of the dispensary in question for want of funds.

In this connection, I write to bring to your kind notice that there are cases pending before the Board asking for contributions towards the establishment of Combined Dispensaries in Taluk Headquarters You are aware that there is a proposal to open a Combined Dispensary at Shikarpur and the Board has resolved agreeing to meet the Board's quota of the recurring expenditure. The matter has been post poned because the Board did not agree to bear any thing towards the cost of the building. Recently the Board in their meeting held on 16th - and 17th September 1943 have resolved agreeing to bear their quota of the cost of opening a combined dispensary at Channagiri. These are Taluk Headquarters and the need and urgency for a Combined dispensary in those places is greater than at Anandapuram which is situate on the road in Bangalore-Honnawar Road and it is itself a Railway Station and the people of that locality can easily have the benefit of a Combined Dispensary either at Sagar or at Shimoga. This is the view expressed by the members when the subject came up for discussion by the Board and I am of the opinion that it is a very reasonable view also.

Under the circumstances, the Board regret they are not agreeable to meet any thing towards the recurring expenditure of a Combined Dispensary at Anandapuram.

No.

Copy of the above is forwarded with compliments to the Deputy Commissioner, Shimoga District, Shimoga, with reference to his letter No.M6.C1175-132/43-44 dated 4-11-1943 for favour of information.

To

The Secretary to the Government of Mysore,
Law Department and Local Self-Government,
Bangalore.

Sir,

I have the honour to enclose herewith a letter from Mr. A. Ramakrishna Iyengar, Zamindar and Rice Mill Owner, Anandapuram, enclosing a cheque for Rs. 40,000/- in favour of the Dewan of Mysore, as a contribution for the opening of a combined hospital with maternity benifits at Anandapuram. Mr. Ramakrishna Iyengar suggests that this amount may be used in any manner that Government think fit, both for the construction of the building and if necessary, for an endowment to defray a part of the annual maintenance and dieting charges. This amount was donated on the occasion of the visit of the Hon'ble the Local Self-Government Minister on 16-2-1944 in Shimoga andwas announced in a public meeting held that evening under the presidency of the Minister. I strongly recommend the acceptance of this benificient gift especially as the donor has left complete freedom to Government to use the amount in any proportion that Government think fit both for the construction and equipment and the maintenance. A copy of this letter has been forwarded to the President, District Board, Shimoga for ascertaining their views regarding maintenance charges, in order to save time.

The village of Anandapuram has a population of 1,200 and is a very progressive Panchayet. Till about 60 or 70 years ago, Anandapuram was the headquarters of a Taluk and had all the benifits of criminal, civil and revenue jurisdiction. It is centrally situated and is easily accessible to the people of four taluks of Shikarpur, Kumsi, Hosanagar and Sagar, with roads radiating from the centre to very populated villages all round. From every point of view, the maternity benifits that this hospital will cater in future, will reach a much larger proportion of the people by its location in Anandapuram than in any other place nearby. I have therefore no hesitation

P.T.O.

in recommending very strongly the construction of the Hospital to serve the requirements of the Malnad Area of my District. I am sure that the District Board of Shimoga will see their way to sanction the maintenance charges in view of all these circumstances.

I take this occasion to bring to the notice of Government, some of the other acts of generosity of Mr.Ramakrishna Iyengar for the welfare of the public in the Malnad. They are as hereunder:-

1. Donation of Rs.3,000/- to McGann Hospital.
2. Donation of Rs.6,500/- building for Sri Rangamma Dispensary at Anandapuram.
3. Donation of Rs.1,000/- to Jagannath Veterinary Dispensary "
4. Donation of Rs.1,500/- building for breeding bull and buffaloe at Veterinary Dispensary, Anandapuram.
5. Donation of Rs.8,000/- building for Middle School, Anandapuram.
6. Donation of Rs.2,000/- building for Chandrasala in Sri Ranganathaswami Temple, Anandapuram.
7. Donation of Rs.1,000/- Silver dress and other equipment for Sri Ranganathaswami, Anandapuram.
8. Donation of Rs.1,200/- for wooden chariot and car shed, for Sri Ranganatha Swami Temple. Anandapuram.
9. Donation of Rs. 500/- for silver dress for Sri Anjaneyaswami "
10. Donation of Rs.1,200/- contribution for building for Sri Anjaneyaswami Temple, Anandapuram.
11. Donation of Rs. 600/- for Sri RamaMandiram building and well at Anandapuram.
12. Donation of Rs. 800/- for a well near Sri Ranganatha Swami Temple ".
13. Donation of Rs. 3,000/- for Hebbar Sri Vaishnava Sabha.

Sir,

I beg to enclose herewith a cheque for Rs.40,000/-(Forty Thousand) drawn in favour of the Dewan of Mysore, as my humble contribution for the opening of a Combined Hospital with maternity benifits at Anandapuram. This amount may be used by Government in any manner that they think fit for the construction of the building and if necessary for an endowment the interest of which may be used for the annual maintenance and dieting charges. I beg to request that half the above amount may be used for the construction of the building and the balance invested as a Government endowment at 4% according to rules for defraying the maintenance charges. If however, the District Board, Shimoga, is good enough to bear its legitimate maintenance charges, the entire amount may be used for the construction and equipment of the Hospital. It is my earnest desire that Government should allow me to commemorate the name of my beloved wife the late Sri.Kanakammal by naming the hospital after her. I request that Government will be gracious not only to accept my humble contribution, but also to expedite the construction and establishment of the hospital so that within the course of this official year, I may be enabled to see the fruits of my endeavours. The Minister for Local Self-Government Mr. H.B. Gundappa Gowda who was here in Shimoga in the current month, was good enough to inspire me to do my little bit for public welfare and it was principally by his advice that I dedicated this amount for the medical welfare of the

Sir,

Opening a combined hospital at Anandapuram, Sagar Taluk.

With reference to your letter No.M.6039/Med.14-43-16 dated 13-12-1943 and No.M.7721/Med.14-43 dated 3-3-1944 on the above subject, I have the honour to enclose herein a statement showing the probable cost of the building, recurring and non-recurring charges etc., for starting a combined hospital at Anandapuram.

Out of the donation of Rs.40,000/- a sum of Rs.20,000/- may be utilised towards the construction of the building, the expenditure over this amount being met out of the grants of the Public Works Department.

The balance of Rs.20,000/- out of the donated amount, may, as desired by the donor, be invested as a Government Endowment and the amount of interest realised thereby may be used for the benefits of the patients of the hospital towards diet, bedding and clothing and equipment that may be required later.

I have addressed the President, District Board, to meet the recurring charges of the proposed hospital in full and his reply is awaited.

I am forwarding herewith a type design plan received from the Government Architect, which is found suitable for the place with certain alterations found necessary.

The hospital may be named as "Kanakammal Hospital" as desired by the donor.

I request you to be so good as to arrange to obtain administrative sanction of Government for the construction of the hospital as per plan forwarded herewith.

Necessary action to get the detailed estimates will be taken after the approval of Government for the plan.

Letter No.C.173/43-44 dated 16th March 1944 from the President, District Board, Shimoga, to the Chief Medical Officer, Women's Hospitals in Mysore, Bangalore.

With reference to your letter No.C.268-18 dated 3-2-1944 regarding the recurring expenditure of the proposed combined dispensary at Anandapuram, Sagar Taluk, I have the honour to state that the subject was placed

before the Board at its meeting held on 13-3-1944 and it was resolved that out of the donation of Rs.40,000/- a sum of Rs.20,000/- may be invested in the charitable endowment fund and the realisations be utilised towards the annual maintenance of the dispensary and the Board agree to bear the balance of the cost. A copy of the resolution is enclosed for favour of information.

In this connection I wish to state that as could be seen from a copy of the letter of the Deputy Commissioner addressed to the Law Secretary to Government, Mr. Ramakrishn Iyengar has agreed that the donation may be utilised in any manner that Government think fit, both for the construction of the building and for annual maintenance of the institution.

I therefore, request that sanction of Government may kindly be obtained to deposit Rs.20,000/- out of the donation made by Mr. Ramakrishna Iyengar and the realisations utilised for the recurring expenses of the Combined Dispensary and intimate the balance of amount to be provided in the Budget of the District Board.

Sir,

Subject: Opening a combined hospital at Anandapuram.

In continuation of my letter No.C.268-28 dated 23-3-1944, forwarding a statement showing the probable cost of the proposed hospital building etc., at Anandapuram, I have the honour to state that in the statement I have stated that the probable cost of the building will be Rs.25,000/-.

In this connection I may state that I have since received detailed estimates and plan from the Chief Engineer of Mysore, for the construction of a combined dispensary at Kunigal. The plan proposed for the building at Kunigal is the same as that of the plan proposed to be constructed at Anandapuram. This, in accordance with the detailed estimate furnished by the Chief Engineer of Mysore, costs Rs.30,810/-.

I would, therefore, request you to be so good as to arrange to take the cost of the proposed building at Anandapuram at Rs.31,000/- as against Rs.25,000/- already proposed by me.

The extra cost of Rs.11,000/- over the promised donation of Rs.20,000/- may kindly be met out of the grants of the Public Works Department.

I have the honour to be,
